The County has no revisions. How do you want to finalize?

Hi Kristin –

I have no issues with the redlines. Let me know if you need any assistance as this works through the EPA review.

Thank you both for your responses, and sorry for my delay. I was out of the office until yesterday. I've made a few minor changes. Please review and let me know if you have any issues.

If the attached draft is acceptable to all, I will circulate it for final EPA approval. There is a slight chance upper management here may have additional edits. They have been briefed on this MOU but have not yet seen this version. Once I have their approval I will let you both know and then we can proceed with signatures.

Thanks,
Kris
